“The Ansonia Armory will open its doors to residents for walking and exercise starting Monday, January 6, 2014.” Mayor Cassetti said. “During the winter months it is very difficult for our residents to find a safe, warm place to walk and exercise. The Armory provides a location that many residents are familiar with and a comfortable environment with good space for walking,” Mayor Cassetti added.

The **Armory located at 5 State Street, Ansonia** will be open from **7am-9am starting January 6<sup>th</sup>, 2014** and will remain open until further notice. I encourage all residents to take advantage of this opportunity. It’s a great way to get the blood flowing and shake off the cold weather with a nice indoor walk.
