

An AVANGRID Company

Derby Junction to Ansonia 115-kV Transmission Line Rebuild Project

WHO: United Illuminating

WHERE: Ansonia City Hall, Aldermanic Chambers, 2nd Floor, 253 Main Street

WHEN: July 14, 2022 at 7 p.m.

United Illuminating (UI) is proposing to replace its three existing 115 kV lines (Line 1560-3, 1808, 1594) that collectively run a distance of approximately 4 miles from Derby Junction in the City of Shelton to Ansonia Substation in the City of Ansonia via Indian Well Substation in the City of Derby.

This rebuild will enhance the integrity of the transmission system in your local area while simultaneously addressing reliability concerns.

UI has scheduled a Public Informational Meeting on July 14 at 7 p.m. in the Ansonia City Hall, Aldermanic Chambers, 2nd Floor, 253 Main Street, Ansonia. The Public is invited to attend to ask questions or comment on the proposed Project. Please join us to learn more about the Project.

For more information about the Project, you can also visit the Project website DerbyJunctionAnsoniaTransmissionLineRebuild.com. To contact us directly you can email us at info@derbyjunctionansoniatransmissionlinerebuild.com or call 888.848.3697.
