

APW Dumping Permit

The dumping permits are for residents who hire a contractor (i.e. landscaper, handyman, hauler or out-of-town relative) to take something from their Ansonia property to the Ansonia Transfer Station.

There is no charge for the permit – but residents must come to the scale office to fill these out. A copy is provided to the resident to give to the person who will be going to the Transfer Station for them.

The permit copy must be brought with them (i.e. landscaper, handyman, hauler or out-of-town relative) to dump.

The **only fee** is for demolition, construction, remodeling material at \$99.00 per ton. (*Residents & Commercial*)
